

Pre Prep

On Wednesday we were treated to the first class assembly of the year, performed by 1DH. Their theme was trees, inspired by their termly topic, *Into the Woods*. We were pleased to learn that trees provide us with oxygen and they are good for our wellbeing. We enjoyed hearing the rhyming story made up by the class and seeing the video that they had made using our new iPads.

Thank you 1DH for sharing your work with us and giving us a wonderful start to our day!
