

# Cambridgeshire Chess Championship News

October's matches saw the key games taking place with the top schools playing each other. Our A-team sit in fourth place with what looks like a very difficult gap to bridge between us and the two leaders, both of whom have a huge advantage because they're named after a chess piece. We will continue to fight hard to secure a medal of any colour.

Our B and C teams continue to impress, sitting in the top half of the table ahead of many schools' first teams. Our Ds are gaining valuable match experience – and pulling some impressive wins out of the bag – as they prepare to climb up through the teams as they progress through the school.
