

Maths Games Get-Together

Thank you for all those children who have attended the Hit the Button Challenge in Rm37 on Thursday during lunch play. Hit the Button is now finished but please practise at home and see if you can beat the times recorded on the VLE.

For this half term Mr Pallister's room (Rm37) will be open at lunch time for all children in the pre prep, including foundation, who would like to come along and play some maths based board and online games. Games will be set out for children to play independently or with their friends. Drop in for a while or stay the whole break. All welcome.
