

# ISGA Two-Piece Gymnastics Competition

On Saturday the 10<sup>th</sup> November the U9 boys and girls, plus the U10 girls competed in the National Two piece qualifiers at Stamford school. In this event they only competed in their set floor and voluntary vaults. The children were superb all day and here are the following results:

## U9 Advanced Girls

The team of Emilia and Isabella, Emily, Marianne, Isobel and Penelope came 4<sup>th</sup> overall out of 11 teams, scoring 63.40. Penelope managed to medal in 6<sup>th</sup> place with her individual total of 16.50.

## U9 Boys

The U9 boys won the whole competition out of 6 teams scoring 63.40 as a team. Harry narrowly missed out on becoming individual champion but came 2<sup>nd</sup> with a score of 16.35, whilst Jake finished 3<sup>rd</sup> on 16.30. The team also comprised Ollie, Jamie, Will and Kit.

## U10 Girls

The U10 girls were trying to qualify for the Nationals in March so were under real pressure, especially with 11 teams in their age category. They performed superbly to finish 2<sup>nd</sup> overall with a team score of 65.90, with Hannah individually coming 3<sup>rd</sup> with a fantastic score of 17.55. The rest of the team who performed so well were Eva, Lilia, Isy, Evie and Parker. Through their efforts they have are now through to the ISGA finals in March at St Catherine's Bramley.

**On Sunday 11<sup>th</sup> November, it was the turn for our U11 and U13 Boys to shine, which both of them did in exceptional fashion.**

## U11 Boys

They boys were probably the pick of the performances this weekend as they won their National title with 8 teams competing in brilliant form. Individually Max won the title with a huge score of 18.65 (9.15 on vault and 9.50 on set floor). Rueben finished 4<sup>th</sup> individually on 17.20, whilst Toby came 5<sup>th</sup> on 17.10. As a team, they all contributed and ran out easy winners scoring 68.30, with scores also coming from George, Noah and Ben.

## U13 Boys

The U13 Boys also won this National title in excellent form with our team scoring 66.05 to beat Haberdasher's Askes for Boys. Individually James was on sparkling form and won the individual title with 17.10, whilst Viraj came 3<sup>rd</sup> with 17.00, Isaac 5<sup>th</sup> with 15.95 and Finn came 6<sup>th</sup> with 15.70. The other scorers who contributed were Sam and William.

It was a hugely satisfying weekend and the children really shone. Having three National titles in the boys' teams, also two individual Champions in Max and James, plus the girls teams both finishing 4<sup>th</sup> bodes well for the forthcoming National IAPS finals at Kent College on the 24<sup>th</sup> November.

Well done to everyone and special thanks to Mrs North for her organisation and Miss Butler for help coaching and looking after the children for the whole weekend.

Mr Tim North
