

Pre Prep

Assembly this week was led by 1RP with a focus on writing. We heard about the planning that the children do prior to writing a story. The process was likened to climbing a mountain prior to achieving a resolution. We saw recorded footage with film clips to aid the children's explanations. The story telling was impressive, with excellent recall of words and action by the children and moments of laughter from the audience. Thank you to the families who came to watch, to the children for working well as a team and to Mr Pallister and Mrs Verduystert for compiling all the content. Well done everybody!

Next week it is the turn of 1VH to lead assembly and we will welcome parents of the class to join us at 08:35 in Ashburton Hall.

The front lawn at Southfield is now roped off for the winter. The children have been told not to walk into roped off area and not to swing on the blue rope. We would be grateful if you could support this when supervising your children before and after school.

A reminder that registration closes in the morning at 08:30 and children should be in class by this time. Please do not be alarmed if the front door is closed it just means that we are conserving heat.
