

Pre Prep

In the week before half term, our assembly focused on kindness. We thought about the ways that we can be kind to people and heard the story of the 'Travellers and the Plane Tree', by Aesop, where the travellers are not appreciative of the tree that gives them shade.

We talked about growing our kindness muscle by using it every day!

Our poem was:

Speak with kindness every day,
Take care of others in a gentle way,
Make friends, forgive and show you care,
Always love and help and share.

During this Wednesday's assembly the children heard the story of the Lost Son, from the Bible. We talked about being brave and saying sorry if we have made a mistake or done something wrong.
