

Indoor Rowing Regatta v St John's & King's College School

On Wednesday 13 of our Y7 and 8 pupils competed in the annual St Faith's Indoor Rowing Regatta against St John's and King's College schools. The superb levels of sportsmanship and technical skill were topped only by the volume of support from all involved! The children took part in team relays and individual 200m sprints. The St Faith's A and B team relay teams came 1st, with the C team in 3rd. A particular mention goes to Charlie J for coming 2nd overall in the individual 200m sprint, in a field of 27, in a time of 45.6 seconds. It was wonderful to see so many young people involved in a new sport; rowing is certainly going from strength to strength at St Faith's.

Congratulations to all involved: Gabriel H, Charlie J, Daniel M, Alex W, Sergio A, William M, Eric T, Nikita LS, Charlie RK, James W, George C, Ithan B, Dillon K.
