

Swimming Lessons

Now that it is colder in the mornings, it is important to reinforce with children that they should come prepared for the weather particularly on the days when they attend swimming lessons. A school regulation warm coat should be worn over a blazer and a red or black woolly hat and gloves would be highly advisable in addition. Girls should be encouraged to keep their swimming hats on while changing back into uniform and then vigorously towelling dry their hair.

Year 3 Swimmers

Please encourage your child to bring and wear a pair of goggles for swimming lessons as it dramatically increases their awareness and comfort in the water. This item is not provided by school.

Mrs North

On behalf of the PE department.
