

Cambridgeshire Chess Championship News

All four of our teams continue to impress with their chess playing. Although our As look to be struggling to make the medals this season, they are in a strong 4th place, waiting to pounce in the event of any of the top three slipping up. Our Bs have climbed from 14th up to 8th, our Cs maintain a place in the top half of the table, holding on to 11th, and our Ds leapt from 27th to 16th by picking up a jaw-dropping 14 points out of 18, making them the league's biggest climbers.
