

MR HELLIWELL PUNISHED FOR NOT EATING HIS TURNIPS!

In an exclusive interview with *Junior News*, Mr. Helliwell has revealed that he was punished at school for not eating his turnips!

The first assignment for the five keen reporters on *Junior News* was to interview Mr. and Mrs. Helliwell.

There were a few nerves before the novice news hounds entered the Headmaster's study, but very quickly these were put aside and an impressive confidence took over.

Junior News reporter Qiao (4B) asked Mr. Helliwell if he had ever been naughty when he was at school. "I can't say I was good all the time," confided the St Faith's Headmaster. "And I do remember getting the slipper on my birthday for not eating turnips!"

"I knew my 13 times table at your age."

Lucy (3C) wanted to know what Mr. Helliwell's favourite subject was when he was at school. "Maths! I loved learning my times tables and I knew my 13 times table at your age. I also loved sport, chasing a ball. I wasn't fussed which one!"

In answer to Lalana's (4B) question about learning habits and what he thought of them Mr. Helliwell commented, "I think they are excellent and they encourage you to be your best self."

Mollie sat patiently through the interview. Everyone agreed her favourite lesson would probably be chasing squirrels.

Letizia (4C) quizzed Mr. Helliwell on why he thought it was important to have rules in school. "Rules are there to make people safe and happy," he told her. "If we did not have rules we would not be safe."

Alice (4B) had a question for Mrs. Helliwell. She wanted to know what it was like being the Headmaster's wife. Mrs. Helliwell explained, "I think I am very lucky to be the Headmaster's wife. I'm also lucky to see all the children grow up from age 4 to 13, and to see your life progress."

Junior News will be taking a break until the summer term. If you would like to be a reporter for Junior News, contact Mrs. Britten or Mrs. Seve.

Food, Glorious Food...

The *Junior News* team were keen to find out just what goes on in the kitchens at St Faith's. This is what they found out....

The most popular dishes are fish or fish fingers & chips and sausages.

The katsu chicken curry has proved to be very popular this term (Mr. Burt's favourite!!)

On average the kitchen cooks 40 jacket potatoes a day, on Thursday 50kg of roast potatoes and on Friday 70KG of chips.

On average we eat 12KG of baked beans per day (including breakfast).

It's official!
