

Swimming Gala

Well done to all the swim team for their excellent performance against Bedford Prep and Bedford Girls' School on Tuesday evening. Many pupils had to swim more races than they were scheduled to and some had to swim up a year group, so a particular 'well done and thank you' to them.

As always, the team were a unit, encouraging one another during races and offering congratulations afterwards as well. There were several personal best performances and six new school records were set (listed below). Three of the records were long-standing ones. The girls' U13 25m butterfly record, broken by Ania, was set at the IAPS National Finals in 2010, and the girl who set the record came 2nd in the country that year. Well done Ania!

Results: 1 st Bedford Girls	182
2 nd St Faith's	169
3 rd Bedford Prep	151

Personal Best Times

Year 5

Lillian – 25m backstroke 21.43s
