

## Congratulations

Navya Bhasin (4C) and five other girls represented Cambridgeshire as a team in an East region Inter-county tennis event last weekend. Overall ten counties participated and Cambridgeshire girls' team achieved third position. Well done to Navya and her fellow team mates.

Congratulations to Olivia Rolls (6N) who has recently been awarded a 3 year exclusive sponsorship agreement with SM Cricket UK. They said 'We are confident that through our own association with many of the leading UK Women's cricketers we can help young talented players like Olivia to realise their full potential'. Olivia will also be helping them to promote the women's game in the region.
