

Foundation

This week the children continued to meet real life Superheroes. On Monday we met Mr Baker (Dad to Evie, FLW) who talked about his job as a rowing coach and how he is helping Cambridge rowers perform like superheroes as they try to win the Boat Race on 7th April. Wednesday saw a visit from Mrs Belgrove (Mum to Oliver, FLW) who talked about her superhero role as a dentist and explained to the children how to keep their teeth strong and healthy. Finally Mr Green (Dad to Eve, FCB) came and showed us his tractor and talked about his job as a superhero farmer, growing crops for us to eat! We also enjoyed a Drama workshop where the children went off on an eco-adventure, to help Mr Bopit understand the importance of keeping Party Planet full of plants. Photos of all these amazing activities can be viewed on the VLE.

In Maths, we have been learning that teen numbers are made up with a ten and some units. For homework, we would like you solve the Maths problem sent home in book bags today. Please help your child write their name on the sheet, fill in their answers and return the sheet on Monday 25th March.

Our final week of the Lent term will be a busy one. We hope to start the week with a visit from a Fire Engine and crew (as long as no emergencies arise). The children will learn about spring and make a gift to take home.

We are looking forward to our Spring Walk on Tuesday. Please make sure your child has their coat and wellies in school that day. We will be leaving at 08:45 and returning to school by 10:00, in time for snack.

If you have not yet brought in a clean label-free large jam jar with a lid, please do so by Wednesday. Also please note, the children will not need their PE kits in school on Tuesday but will need to come into school with their kits as normal on Wednesday; all classes should wear their PE kit to school.

Best Wishes,

The Foundation Team
