

## Pre Prep

Thank you for all your support of the children and staff over the course of the Lent term; what a busy time it has been!

I should like to draw your attention to the E-Safety presentation for parents that has been organised for Monday 13<sup>th</sup> May. Whilst the invitation says that it is particularly relevant to Years 6 to 8, my belief is that it is never too early to learn about and consider your approach towards this matter. Please book to come and listen to the messages if you are able to.

The children in Foundation have greatly enjoyed using the Wild Place in their lesson time this term. The area, essentially all of the wooded hinterland to Tom's Garden, is only for use in curriculum time when accompanied by a member of staff. The space needs chance for regrowth of the ground layer so it is essential that it be rested. Please respect this space when accompanying your child before and after school.
