

Year 3 & 4 Swimming Gala

Congratulations to our swimmers for their wonderful efforts in the Year 3 and 4 Swimming Gala which was held at The Leys on Tuesday 26th March. 69 pupils from Years 3 and 4 chose to participate and to challenge themselves to enter at least one race. The event was well supported by enthusiastic parents and friends and all participants should feel very proud of their achievements. Everyone will receive a certificate for their hard work and the top 3 Butterfly swimmers and the top 6 performers in each other stroke will receive ribbons celebrating their ranking. These will be presented next term in House Assembly. Here are the results.
