

Summer Golf League for Staff, Parents and Pupils

Starting from today there will be a summer golf league for staff, parents and pupils. If you would like to take part then all you have to do is hand in a completed golf card from **Kingsway** (main course) or **The Lakes** (pitch and putt) by the end of week 2 (Friday 3 May). This will determine a handicap and ensure that anyone, however poor at golf, could compete with even the mighty Mr Rusted or Mr Helliwell.

Any further cards you hand in will go towards the summer league and handicaps will be revised with points handed out at the end of week 4 (Friday 17 May) and week 6 (Friday 7 June). The competition will finish at the end of week 9 (Friday 28 June).

Staff, parents and pupils can hand in as many cards as possible and their best card will be the one that scores between week 1 and week 4, between week 4 and week 6 (inc half term) and between week 6 and the penultimate week of term.

I'm happy to explain how this competition will work in more detail but the idea is it's a bit of fun. This is not just aimed at golfers. In fact if you are not good at golf you have more chance of winning!

Pupils can hand their cards to tutors who could then put it in my pigeon hole or they can hand their cards directly to me, Mr Mutucumarana.

There will be a trophy and prizes! Should be fun.
