

Congratulations

Well done to Noah (5L) and Arthur (5L) who both represented Cambridge City Junior Hockey Club U10 boys' first team on Sunday at the Regional Finals. The team came second after just losing out on penalty strokes to Old Loughtonians.

Congratulations to Rory (7L), Barney (7C) and Zander (7L) whose team, Cambridge City Hockey Club, have become U12 East Regional Champions. The team won all their games convincingly against tough opposition and the squad is now looking forward to the Club Hockey National Competition in Nottingham next month.

Back in April, Oliver (8N) was selected to represent the East region in the ISFA Football Tournament in Shrewsbury. Out of 150 boys attending, 50 were invited to join the ISFA National squad. Oliver heard this week that he is one of the successful players and he will join the squad for a weekend camp in August at Harrow school where they will play against academies and possibly Wales. Many congratulations!

Here is a photo of Thomas (3C) with his images of Horseheath Point to Point which won him second prize in the Annual Cambridge Camera Club Exhibition (U10 category). His prize was presented by Councillor Gerri Bird, Mayor of Cambridge. The Exhibition runs until this coming Saturday for anybody who would be interested in attending. Well done Thomas.
