

Foundation

This week the children have been writing cards for "Guess My Insect". Here are some below. Can you guess the insect:

I have no eyes and no legs. I live in the soil. What am I? (worm)

I can fly. I have long legs. I eat bugs. What am I? (crane fly)

I can fly. I live by the pond. I have wings. What am I? (dragonfly)

I can fly. I have beautiful wings. I used to be a caterpillar. What am I? (butterfly)

I have up to 314 legs. I eat insects. What am I? (centipede)

We have also been sewing and watching our plants grow, with great excitement.

In Maths this week we have been writing teen numbers, saying 'ten one, ten two, ten three, ten four, ten five' etc. to help with writing them. We have also been counting in tens, hearing the difference between the ty numbers (30, 40 etc) and the teen numbers (13, 14 etc). We would love to see their solutions for the problem below, via Tapestry.

Lee was writing all the counting numbers from 1 to 20.

1	2	3	4	5															
---	---	---	---	---	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

She stopped for a rest after writing seventeen digits (not numbers!). What was the last number she wrote?

During the half term break, the children will bring home three reading books. You may also like to use this time to practise digraph recognition and encourage the children to write simple sentences using common exception and high frequency words on the word walls you received. Also look through your Tapestry journal with your child and encourage them to reflect on activities they have enjoyed and what they could better at.

Ethan Stiefel in FCH has lost his named school coat. Please check your child's school coat to see if they have got his by mistake.

On Tuesday 4th June the Pre Prep children will be taking part in sports afternoon from 13:45 on School House field. Please can all Games kit be washed in preparation for this event and brought to school on the day. The children will wear sun hats if the weather is sunny; the children must have their red sunhat in school on Monday 4th, please.

Also, please can you make sure you have brought in a shoe box (or similar) for your child to use for an art activity after half-term!

Have an enjoyable half term,

The Foundation Team
