

## IAPS Trampolining

Good luck to 45 pupils who are representing St Faith's at Royal Russell School on Saturday 18<sup>th</sup> May. The group is taking part in the 2019 IAPS Trampolining championships in Croydon. The first round starts at 9am.

Children often ask if we run a Trampolining Club as they are keen to get involved. Due to time and space demands after school, as well as the manpower and preparation time required to erect the trampolines, it is not possible to run a club but we do run holiday courses at Christmas and Easter. This is where we recruit our youngest bouncers. Pupils from Year 6-8 receive curriculum lessons and are selected to represent the school if they show particular skill, talent and flair in those sessions. Anyone who is really keen to do trampolining should approach Cambourne Comets or Cambridge Kangaroos. Both clubs offer a great recreational experience for bouncers.
