

Year 8 Charity Challenge

In just 4 weeks, 42 Year 8 pupils have raised a total of **£3,068.97** for Makukhanye school!

Starting with just a £5 loan, they set up their own small businesses with the aim of making as much profit as possible in the time allowed. The most successful team was Josh Worden, Tom Birkby and Rory Davidson who raised £557.56 by running cake stalls at sporting events in their villages. The most successful individual was Jacob Critchley who raised £489.95 making and selling flapjacks.

All of the money raised will be used to help the children at Makukhanye school; providing food at the weekends for orphans who do not have families to look after them, and helping to fund vital repairs to the school buildings.
