

Congratulations

Congratulations to the 1st XI girls' cricket team for their terrific performances this season. Yesterday, in very damp conditions, their bowling and fielding was superb. Along with fine medium paced and fast bowling, there were two run outs and some superb catches, including a brilliant slip-catch off the final ball of the innings.

Many congratulations to Lucy S (8N) who attended a trial at MK Dons RTC on Sunday and was invited to attend next season. MK Dons Girls Regional Talent Club is an FA Licenced Programme that is part of the FA Girls' England Talent Pathway offering talented female players the opportunity to train and play in an elite development environment. MK Dons FC Girls are one of 33 Regional Talent Clubs (RTC) in England offering development opportunities for gifted and talented female footballers within Milton Keynes and the surrounding areas. Lucy will take part in two training sessions a week and a full fixture programme as part of this elite programme.

On Sunday the East Region Hockey Academy Finals were held in Hertford for the U13 Boys. Teams from Herts, Cambs, Lincs, Essex and Suffolk Academies played each other with a great result for Cambridgeshire who won both the Plate Final (Angus A and Ned C) and also the Cup Final (Finn H). Well done to the boys.

Congratulations to Emilia M (7B) and the Comberton Under 12 netball team for reaching the national finals this year. They were awarded their trophies and medals for 'Team of the Year' at the annual AGM and were quoted by the county as the "future of netball".

Congratulations to the following St Faith's athletes who have all qualified for the National Prep Schools Athletics Finals at Birmingham Stadium on 1st July 2019.

Well done to Pablo in 4N (pictured here) who recently took part in a charity running event to help raise funds for a local school. Due to his age he was encouraged to do a 2 mile run but Pablo wanted to challenge himself and take on a 5 mile course which he won.
