

Cycle Ride Fund Raiser

On Sunday 4th August, Reuben (4B) and his friends will be cycling 23.5 miles from Cambridge to Ely to raise funds for the Early Learning School in Entebbe, Uganda. There are currently over 100 children in the school and the majority of them do not have parents or guardians so the school relies on donations to support them. The bike ride aims to raise £2,000 to buy the children new school uniforms.

Reuben and his family feel privileged to support the school and, following their trip to Entebbe last Christmas, they will be returning in August to spend more time with the children.

Reuben said 'I am proud to wear my school uniform and I want the children at the school in Uganda to look smart and feel happy'.

They would be grateful for any support you can offer. If you would like to join the cycling team please email hannah.c.nunn@gmail.com or support the ride here
