

Late Stay in Enrichment Week

Late Stay will operate as normal next week, with Years 3 and 4 registering in the Hive and Years 5 to 8 in Edenfield, but they will then all join together to play on School House field and the tennis courts until 16:30. At that time they will move to the dining room or Tom's Garden depending on the weather and after 17:00 they will be based in Edenfield, although some may be outside on Leyspring lawn.

Adults collecting pupils from Late Stay are reminded to ensure that a member of staff knows that you have picked-up your son/daughter.

In the final week, the arrangements are as at present but you are reminded that Late Stay does not operate on Speech Day itself (Friday 5th July).
