

Sports Day

What an amazing Sports day and we were so lucky with the weather.

It really was incredible to see all the staff enjoying their day and pulling together in this large school event. The children appreciated the effort that everyone put into it and they were superb on the day. A huge thank you also to the catering, office and maintenance teams as they did so much to enable the event to run so smoothly with programmes, admin, bringing equipment and food down; it is a mammoth task and much appreciated. It is days like these that really show off St Faith's at its very best, and myself and Mr Mageean are incredibly proud of how it went.

The results were as follows:

| Bentley | Chaucer | Latham | Newton |
|----------------|----------------|---------------|---------------|
| 1992 | 1908 | 2120 | 1853 |

There were school records for:

O Waters in the U9 Boys' 75m and 150m
J Seaborn in the U13 Boys' Discus
L Short in the U14 Girls' Javelin
N Caton in the U13 Boys' 75m Hurdles
E Howland in the U9 Girls' Ball throw

Well done everyone. It makes me so proud to be involved with school sport.
