

# Latham 'Multi Coloured Sock Swap' Fundraising Event

Thursday 10th October

Latham House will be fund raising for Blue Smile. Blue Smile is a children's charity working across Cambridgeshire and the surrounding area. It supports children aged 3 to 13 years to become happier and more able to enjoy life to the full, both at school and at home. Many of the children Blue Smile supports are struggling with big feelings and emotions that can overwhelm them. This makes learning at school really difficult.
