

U10-U13 Swimming Gala v St John's

We hosted a most enjoyable and action packed swimming gala on Tuesday for the U10 to U13 age groups against St John's. It is always good to win a match so convincingly this early on in the year. The children swam hard and cheered hard, and got to all their races on time, not an easy task for Year 5, this being their first gala for St Faith's. My personal favourite swims of the day came from Artem and Juliette, both in the 25m Butterfly, Wilkie in the 50m Freestyle and Lanna in the 50m Backstroke. Many children swam personal best times, which is not unusual at the start of a year, but these four children smashed their PB's and exceeded my expectations, so well done!

Congratulations to the whole team too – a great start to the competitive year.

Result: St Faith's 140 points
St John's 101 points

Personal best times were set by:

U10 25m Backstroke:

Jack C 25.30

Phoebe B 24.33

U12 50m Backstroke:

Niall G 48.36
