

## Pre Prep

Wednesday morning this week saw the Ashburton Hall invaded by some very eloquent and polite pirates! 1DH were leading the assembly showing their skills in Art and Computing, alongside some super story telling. Their shadow puppets were a perfect complement to the children's action packed story, based on the 'Night Pirates'.

Next week is the turn of 1RP to lead assembly and we are all looking forward to seeing them in action.

The grounds at St Faith's are a marvellous facility for the children and one in which they rightly feel very safe. I must, however, draw your attention to the need for parents and carers to closely supervise their children before and after school. Our youngest pupils are learning to manage themselves in varying environments. On occasion they may need support to keep themselves safe. Whilst we encourage climbing and 'risky play', it needs to be tempered with careful supervision.

Mrs L Smith  
Head of Pre Prep
