

2JJ Gymnastics Display

This term 2JJ have thoroughly enjoyed their gymnastics lessons. As well as developing flexibility, coordination and balance, the children have improved their basic skills. In addition they have worked with a partner to produce a pairs travelling sequence. The children's targets were to stay exactly together and to produce a stretched, poised piece of work. The work was performed especially for the newsletter, to run a little like a display. Their performance can be seen on the VLE via this link.
