

Driving on Site

Just a reminder that the vehicle entrances around the School are often shared by motor vehicles, pedestrians and cyclists therefore please drive with caution when coming on/offsite.

When collecting from Late Stay (Gate 4) please be cautious of pedestrians potentially exiting the pedestrian gate.

Lights

We have a number of torches and cycle lights available to parents/pupils who either park in the Cambridge Football Stadium or cycle to and from School.

If you would like a torch/cycle light please speak to the Bursary team.
