

# HOLIDAY TECH CLUB

Scan for video!

AGES 5-11

A place for creative kids!

## MICRO:BIT MADNESS

Level up your coding skills with the micro:bit, a mini-computer with applications from creating messages with lights to making games!

### MINECRAFT COMMAND BLOCKS

## AWESOME ANIMATIONS

Calling all aspiring creators! Have a creative blast turning your imagination into story animations, digital flip books and stop motion movies!

### MINECRAFT ADVENTURE MAPS

## MUSIC MAKING

Compose anything from techno pop to rock! A hands-on approach to creative education. A great introduction to music production

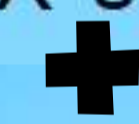

### MINECRAFT REDSTONE

## VIDEO PRODUCTION

Engage with your creative side and explore the world of video production. Use green screens to make movies using editing and SFX skills.

### MINECRAFT FORTNITE MOD

## EXCITING ENGINEERING

Fantastically fun! This day involves discovering how to construct and make mechanisms move, helping to build their problem solving skills

### MINECRAFT STAR WARS MOD
