

Year 8 Art and Design Trip to the Fitzwilliam Museum Tuesday 11th February

To support the Year 8 work on paintings, pupils will be participating in a *Reading Paintings* workshop at The Fitzwilliam museum. They will be asked why, how and what do artists paint? They will explore how artists use line, shape, colour, texture and composition to express their ideas.

We will leave St Faith's at 13:00 and return 15:40. Pupils should wear full school uniform and they will not require any money.

Mrs D Bowes
Head of Art & Design
