

Year 8 Art and Design Trip to the Castle Fine Art Gallery Tuesday 4th February

To support the Year 8 work on paintings, pupils will be visiting Castle Fine Art Gallery on 4th February. They will be asked to explore how the artists on display use line, shape, colour, texture and composition to express their ideas. Pupils will be using the artists paintings to inspire them to create their own artwork in response to an artist they have seen. We will return to the gallery on Tuesday 10th March to showcase our work and one piece will be selected to be displayed in the gallery.

The children will leave St Faith's at 13:45 and return 15:40. They need to wear full school uniform and will not require any money.

Mrs Bowes
Head of Art & Design
