

Congratulations

Congratulations to Reuben, Mateo and Stephanie, three of our Year 7 pupils, who represented Cambridgeshire in the Anglian Schools Cross Country Championships in Boston, Lincolnshire, last weekend. The course weaved through open fields, wooded areas and along a canal bank and the strong field of competitors enjoyed bright, but fairly cold conditions. Well done to all three pupils who did exceptionally well to get to this final round of the competition, having already been through two qualifying rounds:

Reuben finished 10th and Mateo 44th in the boys' competition and Stephanie 69th in the girls'.
