

LOST ITEMS

Currently a few significant named and unnamed pieces of personal property have disappeared without trace. Please could you check your children's belongings over the holiday in case they accidentally have items that do not belong to them. We are specifically looking for a school black coat with bike lights in the pocket, a purple watch and an entire Games bag. Any recovered items should be dropped off at the PE office or the school reception so they can be reunited promptly with their owners.

Thanks for looking!

Mrs North
