

Minibus Driver Required

Please could we ask that this job advert is broadcast to anyone who you might think could be a good fit or who might be interested in this role?

We seek to recruit a minibus driver for 2 hours daily from 06:45 during term time. The main element of the role is to operate one of the School minibuses from one of either Trumpington or Babraham Road Park and Ride sites to the School. The incumbent would then be involved with supporting the management of the School's daily drop off arrangements until the start of lessons.

The role should suit someone with a D1 driving licence and who might need some additional pocket money. Rates of pay are very competitive.

Further details are available from Mrs Janet Mills, HR and Safeguarding Adviser (hr@stfaiths.co.uk).
