

## Pre Prep

Our assembly on Wednesday was ably led by 2JJ who retold the story of 'Somebody Swallowed Stanley', in a most entertaining fashion. This complements their work in class on the topic of *Save Our World*. The children's self-written song, regarding recycling our waste, was tunefully performed in a four part round. Thank you to the children, to Mrs James and to Mrs Whelan for working hard to produce a lovely assembly for us to watch.

Year 1 parents have been sent details of the forthcoming performance of *The Princess and the Pea*. Please make your ticket requests by Monday 2<sup>nd</sup> March via this [link](#).
