

School House Vehicle Gate (Gate 1)

Just a reminder that the School House Vehicle Gate (Gate 1) is intended for vehicle use only.

For safety purposes pedestrians and cyclists should only use one of the School House **pedestrian** gates to access/exit the school site.

Also when walking across the School House Car Park please be aware of moving vehicles e.g. cars, vans etc. as this is one of the busiest car parks on the school site which accommodates staff, visitors and delivery vehicles.
