

Congratulations

Congratulations to Mateo for achieving Distinction in Grade 7 Drum Kit (Trinity College, London). I have not encountered any other drummer of this standard in my career as Director of Music. This really is an outstanding achievement and one which requires much praise and acknowledgement. Congratulations must also go to Mr Aldous, his teacher, as well as those in the Music Department who have supported Mateo through his inclusion in the school ensembles, Bash Street Kids, Crash Attack, Big Band, Jazz Ensemble and Concert Band. There has been much other exam success from this terms' cohort of the Trinity College exams, but Mateo's achievement deserves particular highlighting due to his extraordinary musicianship. Mateo has earned himself 16 UCAS points, the same number of points awarded for a B grade at AS Level, placing his achievement into context.

Mr J Gorick
Director of Music
