

Important Dates in the Sporting Calendar

Athletics

If your child is in Years 6, 7 or 8 and is a keen athlete, please be aware that the Cambridgeshire County Athletics 2020 event is on Saturday 9th May (which is a Bank Holiday weekend) at Wilberforce Road. Mr and Mrs North will unfortunately not be there this year, but entry forms will be given out to pupils for parents to complete and send direct to the organiser, Noel Moss. A payment will be required in order to participate in the U13 age group (Year 6 and 7) and U15 age group (Year 8). If you are unsure as to which events to enter your child into, please e-mail me at tnorth@stfaiths.co.uk. St Faith's vests will be given to those who wish to compete and represent the school. Competitors are permitted to enter between one and three events and these can be all field, or track, if that is their forte. I would recommend no more than two track events as there are often heats and finals for each race, which may be very tiring.

Tennis

National Prep Schools Tennis at Hazlegrove School, Taunton, Somerset for U11 and U13 boys and girls takes place from Monday 13th to Wednesday 15th July (2nd week of the summer holiday). If your child is selected and agrees to participate, parents must be able to take their child to this event and stay in Somerset for the two/three days. They will definitely need to be there for the Doubles (Monday) and Singles (Tuesday), but Wednesday is only for those who make the Finals. Mr North will select the children and e-mail parents with an invitation for their child to participate in this event.
