

Years 3 - 8 Learning Habits & Attainment Grades

The **Years 3 - 8 Learning Habits & Attainment Grade Sheets** will be made available at your [My School Portal](#) account at the end of school today. We logged the grades at the beginning of this week so as to negate against the impact on any pupils who have been absent from school.

Please click on your child and choose the **Reports & Grade Sheets (pdf)** button and you will be able to view the Learning Habits & Attainment grade sheets.

Kind regards,
