

Milano Trios National Gymnastics Championships

13th and 14th March

Fenton Manor, Stoke on Trent

Best of luck to our top gymnasts who are travelling to Stoke-on-Trent to represent the East of England and St Faith's at the forthcoming National Championships. Our U13 mixed team are hoping to defend a three year victorious run by our school. Our U11 mixed team finished in 2nd place last year so we are hoping for one place higher this year. Our U11 boys are all in Year 4 and won their regional round by only 0.1. This narrow margin should inspire them to stretch even harder and push themselves to the next level despite their age.

Best wishes to all competitors

Mrs North
Teacher of Games and PE
