

## Run for Heroes 5k Challenge

Run for Heroes is a fundraising challenge aiming to raise money for our wonderful NHS, to support them in trying to fight CO-VID19. I really enjoy running, especially with my Dad, and I wanted to help this cause especially because my Mum is working really hard at Addenbrookes hospital during this difficult and strange time.

The challenge is to run 5k, donate £5 to Run for Heroes via their fundraising page, and then nominate 5 other people to do the same and take on the challenge.

I therefore pass the challenge of completing the run for Heroes 5K challenge to...

**Mr Clayton Smith**

**Mr Helliwell**

**Mrs North**

**Mr North**

**Mr Day**

The link to the Run for Heroes fundraising page is:
