

Tutor Sessions – Thursday 7th May

As you will be aware, the Home-based Learning programme will not be operating on Friday 8th May due to the Bank Holiday. In place of the Friday Tutor session, Tutors will be inviting pupils to attend Microsoft Teams meetings on Thursday 7th May. Please could you encourage your child to check their Microsoft Teams calendar, and if they are able to attend, accept the invitation to next Thursday's meeting.

Please note that if a pupil has a meeting with a member of the Learning Support team or the School Listener at this time, that should take priority.

Mr Critchley
Director of Pastoral Care
