

## Year 8 French

Year 8 have been learning about the simple future and jobs in French and this week they were introduced to the work of an amazing Armenian artist living in France, Isabelle Kessedjian.

Isabelle Kessedjian is famous for her paintings of “When I’m older I will be...” which were inspired by her children’s drawings.

Have a go yourself, if you want, at making a portrait of yourself in her style and send it to Mrs O’Reilly ([soreilly@stfaiths.co.uk](mailto:soreilly@stfaiths.co.uk)). Here is Louisa’s (8L) portrait.
