

## NGS Open Gardens in Ely

This weekend should see the annual NGS Open Gardens event in Ely, with six gardens opening their gates to visitors. This was to be the chance for people to enjoy the efforts of the gardeners and raise money for the nursing charities that the NGS supports annually.

Mrs Switsur (6B tutor) and her husband are part of this colourful event every year so would like to invite St Faith's parents to enjoy seeing photographs of all six gardens, including their garden at in Cambridge Road, Ely. Visit the gardens by going to

<https://www.elyopengardens.com/the-gardens.html>

where you will find a gallery of photos submitted by the gardeners this week. If you would like to make a donation towards the charities supported by the NGS and enjoy other gardens nationally, there is a link you can follow.

Mr and Mrs Switsur hope you will visit the Ely Open Gardens around the same time next year and come and enjoy the delights that the wonderful historic city has to offer and eat cake in their colourfully chaotic haven!
