

Foundation

We are so delighted to see most of the children back at school. I asked the children what the best thing about being back was and, without a pause, all of them said Lunch! It is reassuring to know some things haven't changed! There have been lots of changes but the children are all coping so well – we often hear cries of “Keep your distance” from them.

This week we have been thinking about growing. We planted sunflower seeds and are anxiously awaiting their germination. Mrs North has been taking each 'bubble' for Games Lessons with every child carrying their own ball and cones set off to the hard area! We have had live Music and Spanish lessons. The children have also recreated Van Gogh's paintings of Sunflowers, using a variety of techniques (some of which can be viewed on the VLE), as well as daily Maths and Phonics sessions.

For me the highlight of each day is when, as a year group, we have a team check-in where each 'bubble' shares their news or work. It is so lovely to catch a glimpse of friends in other locations.
