

My Poem

Here is my family,
They live happily,
I'll tell you about them,
This is a gem,

Ella picks her nose and tries whatever's inside,
Oscar keeps a Christmas tree by his bedside,
John throws money into the sea,
Sarah hates movies whilst drinking tea,
Harvey eats octopus for breakfast, lunch and dinner,
Lara loses at everything but says she is a winner

My dad thinks he's a cat,
My mum has a pet rat,
My grandma Djs at night clubs,
My grandpa smokes in ghastly pubs,

My family have weird ways,
But my love for them stays.
