

Family

I'm generally very naughty
That means I get into trouble
Once I did not do my homework
That was all about double

My mummy shouts
At the top of her voice
And because of her
There is a lot of noise

My brother never listens to me
He always ignores
So, whenever we go to bed
I always do fake snores

Whenever I eat breakfast
I always ask for special K
But whenever my mum catches me
She always takes it away

My dad always gets me what I want
So, when I asked for a baking tray
He said 'for sure,
it'll be here by Wednesday.'

It's very hard whenever I take
My dog for a walk
To communicate with him
Because he can't talk

Some families are big,
but some are small.
They're good just the way they are
And I love them all
