

My Dad's Man Cave

My dad's man cave

O how smelly

My dad's man cave

So many tissues

My dad's man cave

It is for the best

Otherwise he'd be smelling out the west!!

My dad's man cave

So many mugs and plates

It's endless

So that's my dad's man cave

It sounds so disgusting

But actually it's what makes him

My dad, he's delightful
