

Spanish Pre-Prep

Mrs O'Reilly has really loved seeing all of the Pre Prep for their Spanish lessons and she is slowly getting used to seeing all her *amigos* on a screen rather than in real life.

Foundation has been fantastic at singing the colour song from Rockalingua ([link here](#))

Year 1 has learnt about farm animals and could test their knowledge with Linguascope **[stfaiths / faiths1]** / Beginners / purple tab / Los animals de le granja ([link here](#))

Year 2 has learnt how to describe their eyes and hair and could test their knowledge with Linguascope **[stfaiths / faiths1]** / Beginners / green tab / Descripción de la caja ([link here](#))

All our **Rockalingua** songs are on the VLE under Resources / Pre-Prep / Spanish / Rockalingua so feel free to practise all the ones you already know at home or go straight on the Rockalingua website! 😊

¡Adiós amigos!

Señora O'Reilly
